"As we reflect on the past year, we are filled with gratitude for the many individuals, businesses, organizations, and community partners **who make this work possible!**

This year brought meaningful change, exciting opportunities, and tremendous momentum for the Bartlesville Public Schools Foundation.

Together, we supported students, empowered educators, strengthened programs, and invested in the future of Bartlesville Public Schools—and the future of our community. The impact highlighted throughout this report **belongs to our entire community.** It belongs to **YOU.** Every donation, volunteer hour, sponsorship, partnership, and act of support helped **create opportunities** for students and teachers across our district.

Thank you for believing in our mission and for helping us **engage** students, **empower** teachers, and **enrich** learning."

Executive Director Rachel Miller
